Buyer Seller Meet for Turmeric with focus on Telangana at Nizamabad on 22nd February,2023- 10.30 AM to 4.00 PM

Spices Board of India was established in 1987 to develop, promote and regulate export of 52 spices and spice products that fall under its purview. Spices board, the flagship organization for the development and world wide promotion of Indian spices has been spearheading activities for promotion and facilitation of spice trade by strengthening linkages at various levels of the Spice industry

As an important spice, turmeric is growing in India since ancient times mainly for its culinary and medicinal properties, particularly in Ayurveda. Various property of this spice has extended its use as a component of food additive and other natural dyes, also as a clinical component in the cosmetic and pharmaceutical industries and many other uses. A recent pandemic, COVID-19, also further valued the health benefits in the form of an immunity booster.

India is the largest producer, consumer and exporter of turmeric in the world with the state of Telangana being the largest producer of this spice in the country. Indian turmeric is considered to be the best in the world market because of its high curcumin content. India accounts for about 80 per cent of world turmeric production and 60 per cent of world exports.

India has exported 1.53 Lakhs tons of Turmeric valued Rs. 1784 crores during 2021-22. USA, Bangladesh, UAE, Malaysia, Morocco, Germany, Japan, UK, Netherlands, Iran, Saudi Arabia, Iraq, South Africa and Tunisia which contribute around 80% of the export earnings from Turmeric. Major turmeric producing states in India are the southern states of Telangana, Andhra Pradesh, Tamil Nadu and Karnataka, the eastern states of Orissa and West Bengal, and the western state of Maharashtra.

India has produced an estimate of 13.33 lakh tons of Turmeric in an area of 3.49 lakhs Hectares during 2021.22 and Telangana produced 330257 tons of Turmeric in an area of 0.50 lakh hectares. In Telangana, the four districts (erstwhile) viz. Nizamabad, Karimnagar, Warangal and Adilabad account for around 90% of the production of turmeric, besides housing some of the major turmeric markets in the country. There are many varieties of turmeric being cultivated in Telangana but the majorly grown variety is Erraguntur/Duggirala which has unique characteristics and it is preferred for masala powder preparations.

Board had already established 3 offices in Telangana with Regional Office cum extension centre for Turmeric at Nizamabad, Regional office at Warangal and Divisional Offices at Hyderabad for convenience of Spice Growers, Traders and Exporters. Spices Board being an export promotion organization is continuously working for the export promotion of Turmeric along with all other spices from the beginning of its offices in Telangana. Our interventions are focused on Post harvest improvement and creation of exportable surplus.

Spices Board in liaison with Line departments like Horticulture Department, AMC and Research stations are constantly trying to make improvements in Quality of spices produced in Telangana. Our offices in the state are regularly conducting QITP programs, campaign, exposure visit at village levels and giving first-hand information on latest technologies and trends in spice market. Apart from the training program, board is also implementing schemes for Turmeric boilers & polishers every year. As a part of new initiative, Spices Board in association with department of Agriculture marketing, Govt. of Telangana has installed Curcumin testing machine at AMC, Nizamabad in order to help the growers to get the good price from traders/exporters. Many virtual entrepreneurship development trainings programs, BSM, Linkages programs are being conducted for exporters/FPOs/entrepreneurs.

Spices Board with a view to further promote the export of spices and spice products, has been organizing Buyer Seller Meets (BSM), so as to provide a common platform for the Buyers and Sellers of the spice industry, to interact directly and establish effective business linkages. Accordingly, the Board proposes to organize an Buyer Seller Meet for Turmeric with focus on Telangana at Hotel Lahari international, Nizamabad on 22.2.2023 (10.30 am - 4.00 pm) Around 200 Participants including FPOs, progressive farmers, farmer's societies, processors, exporters and traders from Telangana will be attending the BSM.
