

## Online Buyer Seller Meet (BSM) for Ginger with focus on Karnataka

on 12<sup>th</sup> January 2022 from 2 pm to 5 pm.

India is popularly known as the "Spice Bowl of the World" as a wide variety of spices are grown in the country since ancient times. The State of Karnataka is blessed with ideal weather for the cultivation of variety of spices. Pepper, the King of Spices and Cardamom, the Queen of Spices along with nutmeg and clove are grown mainly in the western ghat region of Coorg, Hassan, Chikmagalore, Shimoga and North Karnataka districts. Chillies, turmeric, ginger, tamarind, garlic, coriander are mainly grown in the plain lands. During 2020-21, Karnataka produced 6,65,348 MT of spices in an area of 3,60,145 Ha.

The immunity boosting properties of Spices has played a key role in boosting the demand of the spice during the COVID 19 pandemic situation. India's spice exports, with a volume of 17,58,985 tons valued Rs.30973.32 crores during 2020-21, scaled the landmark level of 4.1 billion US\$ in value realization, besides recording a growth rate of 37% in volume, 16% in rupee terms and 11% in dollar terms of value over the previous year, despite the global pandemic. During the financial year 2020-21, a total 8715.38 MT of spices valued Rs.861.68 crores were exported through the ports in Karnataka to countries such as USA, Saudi Arabia, Australia, Germany, Canada etc.

The Board make its presence felt in Karnataka with 7 field offices, 5 departmental nurseries, 2 divisional Offices and 3 regional offices throughout the state besides 1 regional reserarch station at Donigal near Saklespur. Also, Board implements various schemes in Karnataka including cardamom replanting, production of planting materials by the farmers, purchase of irrigation devices, construction of farm ponds, pepper threshers besides extension services like field visits/group meetings/seminars. The departmental nurseries produce quality cardamom seedlings and pepper rooted cuttings for supply to growers at reasonable rates. The Research station at Donigal engaged in producing hybrid varieties of cardamom and support the farmers with differencnt agro techniques.

Spices Board is committed to transfer the latest technology to the cardamom farmers in its cultivation & post harvest and post harvest intervention in all other spices. Karnataka is having more than 36,000 MT black pepper and 2,50,000 MT ginger and is a major producer of black pepper and ginger in the country.

Spices Board with a view to further promote the export of spices and spice products, is organizing Buyer Seller Meets (BSM) regularly, so as to provide a common platform for the Buyers and Sellers of the spice industry, to interact directly and establish effective business linkages. Accordingly, the Board is organizing an online Buyer Seller Meet with focus on Karnataka on 12.01.2022. Around 100 sellers/producers representing FPOs, progressive farmers, farmer's societies, processors and traders from Karnataka and around 40 exporters/buyers are expected to participate and benefit through this BSM. The details of the buyers and sellers participating in the BSM are given below.
