

EVENT CALENDAR 2022-23

(MAY-SEPTEMBER 2022)

Region: ICRI, Myladumpara, Kerala

SMALL CARDAMOM

Training programmes (Myladumpara)

Month and date		Event Planned	Topic	If joint programme	Outcome expected	Number of participants proposed	Remarks
May	20/05/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	26/05/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
June	02/06/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	09/06/22	Exposure visit of Students of KAU	Training on small cardamom	Agriculture college students	Awareness on GAP in small cardamom for pesticide-free cardamom for export	154	
	16/06/22	One day Hands on training programme (Physical)	Organic manure preparation &	Development Division of Spices Board/FPO	Helps in production & utilization of	30	

			fortification with bio-agent		low-cost organic manure		
	30/06/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
July	04/07/22	Online training programme	Small Cardamom based organic farming system with special reference to Pollinators	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	50	
	07/07/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	13 – 15, July,22	Three days in House Training Programme	Climate-resilient practices for the improvement of small cardamom farming	Development Division of Spices Board	The trainee will act as trendsetter in their areas	30	
	21/07/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
August	03/08/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	10 -11 August,22	Two Day Consultative Workshop	On achieving Carbon Neutrality in small cardamom sector- A Way forward	Development Division of Spices Board	Road map for achieving the carbon neutrality	100	

	18/08/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	25/08/22	Online training programme	Value addition in cardamom	Development Division of Spices Board	Encouragement towards primary processing	50	
September	01/09/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	8 - 9, Sept.22	One day Seminar	Mechanisation in small cardamom	Development Division of Spices Board	Awareness on the latest mechanisation in cardamom processing	100	
	16/09/22	Online training programme	GAP in small cardamom	Development Division of Spices Board	Awareness of GAP in small cardamom for pesticide-free cardamom for export	50	
	21/09/22	One day Hands-on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in the production & utilization of low-cost organic manure	30	
	29/09/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
October	04/10/22	Spices Clinic cum training	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom	25	

		(Physical)			for pesticide-free cardamom for export		
	12/10/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	08/11/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	16/11/22	Exposure visit of Students of KAU	Training on small cardamom	Agriculture college students	Awareness on GAP in small cardamom for pesticide-free cardamom for export	154	
	24/11/22	One day Hands on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in production & utilization of low-cost organic manure	30	
	30/11/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
December	05/12/22	Online training programme	Small Cardamom based organic farming system with special reference to Pollinators	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	50	
	14/12/22	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free	25	

					cardamom for export		
January 2023	04/01/23	Three days in House Training Programme	Climate-resilient practices for the improvement of small cardamom farming	Development Division of Spices Board	The trainee will act as trendsetter in their areas	30	
	17/01/23	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
February 2023	03/02/23	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
March 2023	07/03/23	Two Day Consultative Workshop	On achieving Carbon Neutrality in small cardamom sector- A Way forward	Development Division of Spices Board	Road map for achieving the carbon neutrality	100	
	14/03/23	Spices Clinic cum training (Physical)	GAP in small cardamom	Development Division of Spices Board/FPO	Awareness on GAP in small cardamom for pesticide-free cardamom for export	25	
	21/03/23	Online training programme	Value addition in cardamom	Development Division of Spices Board	Encouragement towards primary processing	50	

Name of Region: ICRI, RS, Sakleshpur, Karnataka

Crops: SMALL CARDAMOM/Black pepper

Month and date		Event Planned	Topic	If joint programme	Outcome expected
May	17-05-2022	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region

	31-05-2022	AIR programme	Spice crop management during monsoon	AIR Hassan	Awareness and management of Spice crops of the region
	23-05-22	Online training programme	GAP in cardamom	SB RO (DEV) Sakleshpur	Awareness on GAP and its importance
June	02/06/22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	8-6-22	Online training programme	GAP in Black Pepper	SB RO (DEV) Sakleshpur	Awareness on GAP and its importance
	16-06-22	Online training programme	Importance of bio agents in sustainable spice production	SB-RO (DEV) Sakleshpur	Importance of Bio agents in Sustainable Spice Production
	29-06-22	Online training programme	Disease management in cardamom	SB-RO (DEV) Sakleshpur	Awareness on IDM and its importance
July	06/07/22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	19/07/22	Online training programme	Disease management in Ginger	Development Division of Spices Board/FPO	Awareness on IDM and its importance
	26/07/22	Online training programme	Disease management in Black Pepper	Development Division of Spices Board	Awareness on IDM and its importance
Aug	3-8-22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	10-8-22	Online training programme	Bio agents and disease management in spice crops	Development Division of Spices Board	Awareness on importance of Bio agents in Sustainable Spice Production
	24-8-22	Online training programme	Strategies to reduce pesticide residue in ginger	Development Division of Spices Board	Awareness on Sustainable Spice Production
	30-8-22	Spice Clinic	GAP in cardamom	Development Division of Spices Board	Awareness on GAP and its importance
Sept	1-9-22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	14-9-22	Spice Clinic	Pest management in cardamom	Development Division of Spices Board	Awareness on IPM and its importance
	28-9-22	Spice Clinic	Pest management in Black Pepper	Development Division of Spices Board	Awareness on IPM and its importance

Oct	6-10-22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	12-10-22	AIR programme	Value addition in ginger	AIR Hassan	Awareness on value addition in ginger
	27-10-22	Spice Clinic	Quality planting material production in Cardamom	Development Division of Spices Board	Awareness on nursery management in cardamom
Nov	2-11-22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	16-11-22	AIR programme	Quality improvement programme in cardamom and Pepper	AIR Hassan	Awareness on quality criteria on Spice crops of the region
	23-11-22	Spice Clinic	Selection and preservation of seed rhizomes n Ginger	Development Division of Spices Board	Awareness on quality rhizome selection criteria in ginger
Dec	2-12-22	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	14-12-22	AIR programme	Intercropping of tree spices in coconut and arecanut garden	AIR Hassan	Awareness and management of Spice crops of the region
	20-12-22	Spice Clinic	Biotic and Abiotic stress management in pepper	Development Division of Spices Board	Awareness on pest and stress management in pepper
Jan	04-1-23	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	17-1-23	Spice Clinic	GAP, GHP importance in Spice crops	Development Division of Spices Board	Awareness on GAP and GHP in Spice crops of the region
	24-1-23	Spice Clinic	Value addition and quality criteria in spice crops	Development Division of Spices Board	Awareness on quality criteria on Spice crops of the region
Feb	03-2-23	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	08-02-23	Spice Clinic	Nursery techniques in Black pepper	Development Division of Spices Board	Awareness on nursery management in Pepper
	22-2-23	Spice Clinic	Varietal diversity of Black pepper	Development Division of Spices Board	Awareness on nursery management in Pepper
Mar	07-03-23	AIR programme	Calendar of operation for Cardamom Pepper and Ginger	AIR Hassan	Awareness and management of Spice crops of the region
	15-03-22	Spice Clinic	Soil testing and its importance	Development Division of Spices Board	Awareness on Soil testing and its importance

EVENT CALENDAR 2022-23

(May – September, 22)

Name of Region: ICRI, RS, Tadong, Sikkim

Crop : LARGE CARDAMOM

Month and date		Event Planned	Topic	If joint programme	Outcome expected	Number of participants proposed	Remarks
May	20/05/22	Spices Clinic cum training (Physical)	Pest and disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	26/05/22	Spices Clinic cum training (Physical)	Pest and disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
June	02/06/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
	09/06/22	Exposure visit of Students of KAU	Training on large cardamom	College of Agriculture Vellayani, KAU	Awareness programme	154	
	16/06/22	One day Hands on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in production & utilization of low-cost organic manure	30	
	30/06/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
July	04/07/22	Online training programme	Large Cardamom based organic farming system with special	Development Division of Spices Board/ ICAR NEH Region	Awareness cum enhancing farmers income	50	

			reference to Pollinators				
	07/07/22	Spices Clinic cum training (Physical)	Pest and disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	13 – 15, July,22	Three days in House Training Programme	Climate resilient practices for improvement of large cardamom farming	Spices Board (Exploring possibility of co- organizer like ICAR-IISR)	The trainee will act as trend setter in their areas	30	
	21/07/22	Spices Clinic cum training (Physical)	Large cardamom plantation management with special reference to pollinators	-Do-	Awareness and improvement in large cardamom plantation	25	
August	03/08/22	Spices Clinic cum training (Physical)	Pest management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest	25	
	10 -11 August,22	Two Day Consultative Workshop	On achieving Carbon Neutrality in large cardamom sector- A Way forward	Spices Board (Exploring possibility for Co- organizer from State Govt./ NABARD)	Road map for achieving the carbon neutrality	100	
	18/08/22	Spices Clinic cum training (Physical)	Pest /disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	25/08/22	Online training programme	Value addition in spices grown in NE Region	Development Division of Spices Board	Encouragement towards primary processing	50	
September	01/09/22	Spices Clinic cum training (Physical)	Pest/disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	8 - 9, Sept.22	Two daySeminar	North East India – organic spices hub	Spices Board (Exploring possibility for Co- organizers like NERAMAC/SOFDA)	Road map and vision documents for NE Spices	100	

	16/09/22	Online training programme	Seed Spices & its potentialities in NE India	Development Division of Spices Board	Awareness about seed spices	50	
	21/09/22	One day Hands on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in production & utilization of low-cost organic manure	30	
	29/09/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
October	11/10/22	Spices Clinic cum training (Physical)	Large cardamom plantation management – post harvest	Development Division of Spices Board/FPO	Improvement in overall plantation	25	
	17/10/22	Online training programme	Emphasizing on adoption of improved dryer system	-Do-	Awareness about achieving carbon neutrality on Drying operation	50	
	20/10/22	Spices Clinic cum training (Physical)	Pest and disease management in large cardamom	-Do-	Awareness and management of pest/diseases	25	
November	02/11/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
	16/11/22	Workshop	Possibilities & potentialities of tree Spices in NE India	Spices Board (Exploring possibility for Co- organizer like state Govt. of Meghalaya/ Assam)	New avenue in tree spices & road map for exploring the potentialities	75	
	23/11/22	One day Hands on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in production & utilization of low-cost organic manure	30	

	29/11/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
December	06/12/22	Spices Clinic cum training (Physical)	Large cardamom plantation management	Development Division of Spices Board/FPO	Awareness and management of plantation	25	
	13/12/22	Spices Clinic cum training (Physical)	Pest management in large cardamom	-Do-	Awareness and management of pest	25	
	20/12/22	Online training programme	Post-Harvest value addition of Spices produced in NE India	-Do-	Popularizing on primary processing	50	
January 2023	05/01/23	Spices Clinic cum training (Physical)	Pest/disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	20/01/23	One day Seminar	Doubling Farmers income through Spices Cultivation	Spices Board (Exploring possibility for Co- organizer like ICAR-IISR)	Encouragement of adopting Spices Cultivation	50	
	25/01/23	Spices Clinic cum training (Physical)	Pest/disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
February 2023	02/02/23	One day Hands on training programme (Physical)	Organic manure preparation & fortification with bio-agent	Development Division of Spices Board/FPO	Helps in production & utilization of low-cost organic manure	30	
	09/02/23	Spices Clinic cum training (Physical)	Pest/disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
	16/02/23	Workshop	Bio-Diversity management through large cardamom cultivation in NE India	Spices Board (Exploring the possibility for co-organizer GBPNiHE/ BSI)	Awareness about Bio-diversity conservation	75	

	23/02/23	Spices Clinic cum training (Physical)	Pest/disease management in large cardamom	Development Division of Spices Board/FPO	Awareness and management of pest/diseases	25	
March 2023	02/03/23	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
	09/03/23	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25	
	16/03/23	Online training programme	Herbal Spices & its potentialities in NE India	Development Division of Spices Board	Awareness about seed spices	50	
	23/03/23	Spices Clinic cum training (Physical)	Large cardamom plantation management	-Do-	Awareness and improvement in large cardamom plantation	25
