Circular

Spices Board has been informed that the Federation of Indian Export Organisations (FIEO) has developed an online portal wherein the exporters can post their demand for containers. The demands posted by the exporters are made visible to shipping lines / freight forwarders / others so that they connect with the exporters and fulfil such demands.

The online portal is understood to help in ground level assessment of containers required in the country and further shall enable the exporting community to negotiate competitive quotes for their requirement. The online portal can be accessed from the link: <https://fieo.electronbridge.com:444>
