মছলাৰ বাবে ক্ৰেতা বিক্ৰেতা বৈঠক मसालों के लिए क्रेता विक्रेता बैठक Buyer Seller Meet for Spices

Horticultural Research Station, Assam Agricultural University, Kahikuchi, Guwahati
9th January, 2026

India is the leading producer, consumer and exporter of spices in the world. During 2024-25, India exported 17,99,267 MT of spices and spice products valued at ₹ 39,994.48 crore (4,722.65 million US\$). The major contributors in the spices export basket are Chilli, Cumin, Spice oil & Oleoresins, Mint Products, Turmeric, Curry powder, Small Cardamom, Black pepper and nutmeg.

Assam is home to a variety of spices, such as the GI-tagged Assam Karbi Anglong Ginger, turmeric, chili, garlic, black pepper, cumin, coriander, etc. The state also holds significant potential to become the food processing hub of North East. Assam has a production of 292946 metric tons of spices from 100258 Ha. The state is the fourth largest producer of ginger in India.

The total exports of spices and spice products during the year 2024-25 through the ports in Assam is around 1359 MT valued at Rs 817 lakh.

The major spice products exported directly from the state include ginger, turmeric, curry powder, and black pepper, mainly to countries such as Bhutan and Bangladesh. Also, the intrinsically rich spices of Assam forms part of the export supply chain of value added spice products manufactured across the country.

Spices Board (Ministry of Commerce & Industry, Govt. of India), the flagship organization for the development and worldwide promotion of Indian spices has been spearheading activities for promotion and facilitation of spice trade by strengthening linkages at various levels of the Spice Industry.

The Board is implementing Central Sector scheme across the country, including the North Eastern Region (NER), to improve large cardamom productivity, strengthen post-harvest management of export-oriented spices, and promote exports. The interventions focus on supply-chain strengthening and value addition to enhance export potential and unit value realization of spices unique to the NER.

Further, to create a platform for better commerce and trade aimed towards direct linkages of the spice farmers / FPOs in Assam with exporters, Spices Board is organising a “Buyer Seller Meet” on 9 January 2026 at Horticultural Research Station, Assam Agricultural University, Kahikuchi, Guwahati.

The event aims to facilitate direct market linkages between buyers and sellers from the region and provide an opportunity to discuss key issues concerning the spice sector. Around 150 participants, including progressive farmers and representatives of FPOs / farmer societies from Assam, as well as traders, processors, and exporters from across the country, are expected to attend the BSM. The list of the sellers/FPCs and buyers/exporters are as follows.
