Buyer Seller Meet for Spices
Madurai, Tamil Nadu – 04/02/2026

India is the leading producer, consumer and exporter of spices in the world. During 2024-25, the country has exported 1799267 MT of spices and spice products valued at Rs.39,994.48 crore (4,722.65 million US\$). The major contributors in the spices export basket are Chilli, Cumin, Spice oil & Oleoresins, Mint Products, Turmeric, Curry powder, Small Cardamom, Black pepper and Nutmeg.

Tamil Nadu holds a significant position in India's spices sector, producing 3.31 lakh metric tonnes of spices from an area of 1.16 lakh hectares during 2024-25. The major spices produced in the State include tamarind, clove, curry leaves, chilies, turmeric, coriander, small cardamom, black pepper, vanilla, nutmeg, garlic, and mint. Tamil Nadu is also home to several Geographical Indication (GI)-tagged spices with distinct intrinsic qualities such as Kanniyakumari Clove, Ramanathapuram Mundu Chilli, Erode Manjal, and Kodaikkanal Malai Poondu Hill Garlic). In addition, the State is strategically advantaged with major ports at Chennai, Ennore, and Thoothukudi well-established spice market centres at Virudhunagar, Madurai, Tiruchirappalli, Salem, Erode, Thoothukudi, and Kovilpatti.

Spices Board (Ministry of Commerce & Industry, Govt. of India) is undertaking various activities and organizing programmes for the development and export promotion of Indian spices. The Board implements a range of programmes/initiatives to support the export of spices, such as research and development programmes for cardamom, post-harvest quality up gradation of spices, export promotion, training programmes for farmers, FPOs, exporters and other stakeholders, etc.

In order to promote the production and export of spices and condiments, the Board has established a Spices Park at Kottagudi village in Sivaganga district, Tamil Nadu, with common infrastructure facilities for processing, value addition, and storage of spices, so as to cater to the needs of spice stakeholders in the State. The Board has also established three Regional Offices in Tamil Nadu, i.e., at Erode, Chennai and Bodinayakanur, to coordinate the implementation of its schemes and programmes. In addition, Quality Evaluation Laboratories (QELs) have been set up at Chennai and Tuticorin for mandatory pre-shipment sampling, testing, and clearance of spice consignments exported from Tamil Nadu and adjoining regions.

In order to provide a platform for better market linkages and to facilitate direct interactions between spices growers and exporters, the Spices Board is organizing a Buyer-Seller Meet for Spices on 4th February 2026 (Wednesday) at Hotel Courtyard by Marriott, Madurai, Tamil Nadu.

The event will bring together around 250 stakeholders, including spice farmers and representative of FPOs from the region and the exporters from across the country. The BSM will prominently showcase Tamil Nadu's major spices namely, Red Chillies (Samba and Mundu type), Black Pepper, Turmeric, Coriander, Hill Garlic, Clove, Small cardamom, etc. The lists of the participants are as follows:
