मसालों के लिए क्रेता-विक्रेता बैठक, ईटानगर Buyer Seller Meet for Spices, Itanagar

स्थान / Venue: डीके कन्वेंशन हॉल / DK Convention Hall • दिनांक / Date: 23/01/2025

Arunachal Pradesh, known as "the land of dawn-lit mountains," is a bio-geographical hotspot in India. The state is rich in spices and medicinal plants. Farming is deeply connected to the daily life and culture of its people, ensuring these products are in their purest form. Large Cardamom is widely grown here due to the favorable soil and climate. Other important spices include Ginger, Turmeric, Bay Leaf, Star Anise, and Long Pepper.

Spices Board under Ministry of Commerce and Industry, Govt of India is undertaking various activities and organizing programmes in North eastern states including Arunachal Pradesh with a view to strengthen the supply chain of spices as well as to facilitate sustainable development of the spices sector in the region.

In order to provide a platform for better commerce and trade aimed towards direct linkages of the spice farmers in Arunachal Pradesh as well as other NE states with exporters from across the country, the Board proposed to organise a Buyer Seller Meet (BSM) at D.K. State Convention Centre, Itanagar on 23rd January 2025.

The BSM, would provide a platform for strengthening market linkage of the farmers / suppliers of spices from the NE region with exporters from various parts of India, as well as to disseminate information on the latest developments in the spices sector.

Around 200 participants including FPOs, progressive farmers, farmers' societies, processors and traders from nearby states of Arunachal Pradesh as well as exporters from across the country will be attending the event. The list of participants (Buyers/ Exports, Sellers / FPOs) are as follow.
