मसालों के लिए क्रेता-विक्रेता बैठक BUYER SELLER MEET FOR SPICES

हाईरेंज कन्वेंशन सेंटर, कट्टप्पाना, केरल / HIGHRANGE CONVENTION CENTRE, KATTAPPANA, KERALA
23/10/2025

India is the leading producer, consumer, and exporter of spices in the world. During 2024–25, the country exported 17,99,267 MT of spices and spice products valued at ₹39,994.48 crore (US\$ 4,722.65 million). The major contributors to India's spice export basket include Chilli, Cumin, Spice Oils & Oleoresins, Mint Products, Turmeric, Curry Powder, Small Cardamom, Black Pepper, and Nutmeg.

Kerala, renowned as the “Land of Spices” and the “Spice Bowl of India,” occupies a prominent position in the global spice trade. Situated along the Malabar Coast, the state has a long and illustrious history as a centre of spice cultivation and commerce. Kerala is a major producer of Small Cardamom, Black Pepper, and Nutmeg, along with other spices such as Ginger, Turmeric, Vanilla, Clove, Cinnamon, Garlic, and Tamarind.

The state produces 18,310 MT of small cardamom, with Idukki district contributing nearly 85% of India's total production. Kerala also produces 21,941 MT of black pepper (about 30% of India's production) and 18,000 MT of nutmeg (around 95% of India's production). The state is known for production of intrinsic quality spices such as Alleppey Green Cardamom, Alleppey Finger Turmeric, Cochin Ginger, and Malabar Pepper, which are among the most sought after spices in international markets. Notably, spices from the state - Malabar Black Pepper, Alleppey Green Cardamom, Kanthalloor Vattavada Garlic, Thalanadan Grambu (clove), and Edayur Chilli, have received the Geographical Indication (GI) status. The major ports at Cochin and Vizhinjam (Thiruvananthapuram), along with key spice markets at Mattancherry and Kumily, further strengthen Kerala's position in the spice trade network.

The Spices Board (Ministry of Commerce & Industry, Government of India) is undertaking various activities and organizing programmes for the development and export promotion of Indian spices. The

Board implements a range of programmes / initiatives to support the export of spices, such as research and development programmes for cardamom, post-harvest quality upgradation of spices, export promotion, training programmes for farmers, FPOs, exporters and other stakeholders, etc.

Further, to strengthen market linkages and facilitate direct interactions between spice growers and exporters, the Spices Board is organizing a Buyer–Seller Meet (BSM) on 23rd October 2025 at the Highrange Convention Centre & Club House, Kattappana, Idukki District, Kerala.

The event will bring together around 250 stakeholders, including spice farmers and representatives of FPOs from the region and exporters from across the country. The BSM will prominently showcase Kerala's major spices — Small Cardamom, Black Pepper, and Nutmeg. The list of the participants are as follows.
