About the Programme

To equip and empower progressive stakeholders and aspiring young entrepreneurs to explore opportunities in the spices industry, the Spices Board has been organizing Entrepreneurship Development Programmes across the country. These programmes aim to educate participants about various facets of the spices sector, including export documentation and procedures, quality and safety standards, regulatory requirements for exports, international marketing, logistics, as well as insights into export data and trends. By providing practical knowledge and industry insights, the initiative seeks to build a new generation of successful spice entrepreneurs.

Key Focus Areas

- Export documentation and procedures
- Quality and safety standards
- Regulatory requirements for exports
- International marketing
- Logistics
- Export data and trends

Key Speakers

The programme, which is scheduled to be conducted on 28th September 2026, will have key speakers from allied organisations such as:

- Food Safety and Standards Authority of India (FSSAI)
- Export Inspection Council (EIC)
