India – The Spice Bowl of the World

India is the largest producer, consumer and exporter of spices in the world. Indian Spices are renowned across the world for their rich intrinsic qualities, since time immemorial despite the global pandemic situation. India's spice exports, with a volume of 17,58,985 tons valued Rs.30973.32 crores during 2020-21, scaled the landmark level of 4.1 billion US\$ in value realization, besides recording a growth rate of 37% in volume, 16% in rupee terms and 11% in dollar terms of value over the previous year.

The Indian spice sector has a strong exporter base with over 7000 registered exporters, who export spices and value added spice products to over 180 destinations worldwide. India is the global leader in spice oils and oleoresins, curry powders, turmeric, chilli, cumin etc and a strong supplier of a wide range of spices and spice products worldwide.

SPICES BOARD

Spices Board (Ministry of Commerce & Industry, Govt. of India) is the flagship organization for the development and worldwide promotion of Indian spices. The Board is an international link between the Indian exporters and the importers abroad. The Board has been spearheading activities for excellence of Indian spices involving every segment of the industry. The Board has made quality and hygiene the cornerstone for its development and promotional strategies. The Board aims to develop, promote and regulate export of spices and undertake programmes and projects for enhancing quality and food safety. Schemes have been implemented to provide assistance for export promotion, of all spices through support for technology upgradation, quality maintenance, brand promotion, research & development etc.

Food safety and quality initiatives

The Board ensures that the Indian spice industry conforms to the norms of HACCP, BIS,ISO,USFDA,WHO,ASTA, ESA, AGMARK and cleanliness specification of major importing countries.

Quality, clean and safe food are one of the focus points of the present-day world. With the increase in awareness of importance of food safety, the demand for traceable Organic foods and food products is rising in the global market.

The Board has made remarkable strides in Indian spices industry by evolving, monitoring and implementing qualitative changes in the Indian spices industry.

Quality Evaluation Laboratories (QEL)

Spices Board's Quality Evaluation Laboratories provides analytical support for mandatory inspection of spice consignments to selected destinations for certain parameters. The analysis

on physical, chemical and microbiological parameters which includes pesticide residues, aflatoxins, heavy metals and contaminants/ adulterant artificial dyes is conducted as per the quality specification prescribed by USFDA, ASTA, ISO and ESA and in accordance with the specifications of the importing countries.

The Board is working with the vision of India to become the international processing hub and premier supplier of clean, safe and value added spices & spices products to the industrial and retail segments of the global spices market.

Spice Trade with WANA & Morocco

The WANA region is a major export destination of Indian Spices. During 2020-21, India exported 2,76,425 MT of spices worth US \$ 491 million to WANA region accounting to 13 per cent in the total value of spice exported from India. Morocco is India's one of the trading partner for spices in the region. During 2020-21, spices trade between India and Morocco is 23,618 MT of spices worth US \$ 41.44 million which accounts 1% in both volume and value of India's total spice exports. Chillies, Cumin, Turmeric, Fenugreek, Cardamom (small), Fennel, Mint products, Garlic etc are the major contributors in the spice export basket to Morocco.
