To All Exporters of Spices

Date: 8<sup>th</sup> April 2020

Dear Sir/Madam

**Sub: Installing Arogya Setu App & Request for Donations to PM CARES  
FUND- reg**

Arogya Setu is a mobile application developed by the Government of India to connect essential health services with the people of India in our combined fight against COVID-19. The app is aimed at augmenting the initiatives of the Government of India, particularly the Department of Health, in proactively reaching out to and informing the users of the app regarding risks, best practices and relevant advisories pertaining to the containment of COVID-19. It is a virtual diagnostic tool which helps in self assessment of the risk for catching the Corona Virus infection and will enable us to take precautionary measures.

All exporters are requested to install this app as well as to urge the staff/workers of their establishments to install the app in their smart phones with a view to identify and isolate COVID 19 cases and to stay safe. Further, all spice exporters and members of the exporters' associations are requested to make donations to PM CARES Fund so as to support the relief activities

relating to the public health emergency situation posed by the COVID-19 pandemic.

With regards,

Director  
Spices Board
